

Lighting E-Commerce Business For Sale With Market Stall

- England

Property [Description](#)

For Sale is a truly unique opportunity to be your own boss with this E-Commerce Lighting business that also comes with a market site local to yourself.

This is a sale that includes remaining stock of novelty lighting, online website shop, facebook page, and even all the market equipment and contacts to continue with your own market site anywhere local to yourself.

This business opportunity is brilliant as it offers flexibility to all new potential owners due to the fact it can be entirely online operation. Relocatable anywhere in the UK, it would be the perfect opportunity for a buyer who is looking for a business that they can expand and build on.

This successful business has excellent growth potential and be adding to its previous reputation online.

This investment opportunity will be well suited to someone with a good working knowledge of social media and looking for a business to fit around
